Bullet Points:

- Beautiful Paint and Interior
- Extensive builder logs
- Fresh condition inspection
- 420 SNEW Franklin with fuel injection

Description:

This is a one of a kind RV8 build that shows the craftsmanship and thought of the current builder and owner. The most incredible part of the build is the Franklin engine that was assembled from new old stock parts, with fuel injection and electronic ignition. The airplane also features a large useful load, and great panel. The aircraft is looking for a new home due the current owners change in mission.

Airframe:

2015 Jeffery R. Johnson RV-8 Tailwheel
