### **Highlights:**

- Aspen Evolution Flight Display: Replaces traditional primary flight instruments with a sleek, modern Electronic Flight Instrument System (EFIS), offering enhanced situational awareness, precise digital heading, and primary attitude tracking.
- Garmin GNS 430: A highly capable GPS/NAV/COMM system providing reliable moving-map navigation, approach capabilities, and integrated communications.
- Investment & Performance Appeal
- Modernized Cockpit: The pairing of the Garmin 430 and Aspen Evolution ensures pilots have the tools necessary for precise navigation and instrument scanning, bridging the gap between legacy trainers and fully integrated glass-panel aircraft.
