Description:

Fresh from a June 2026 annual inspection, this classic Piper PA-18-150 Super Cub is equipped with a glider tow package and powered by a 150 HP Lycoming O-320 engine with just 602 hours since major overhaul. Known for its rugged utility, excellent short-field performance, and legendary handling, this Super Cub offers complete logbooks, an 820-pound useful load, and proven capability for towing, training, or recreational flying. A rare opportunity for soaring clubs, operators, and Super Cub enthusiasts alike.
